Dear Sir:

Amendments begin on page 2, remarks begin on page 3.

Please amend the specification as follows:

Please replace the related applications section with the following:

RELATED APPLICATIONS

[0001] This application is related to the following commonly assigned co-pending patent applications entitled, "SYSTEM AND METHOD FOR PROVIDING PARALLEL DATA REQUESTS," Attorney Docket No. 200313751-1, which is being filed contemporaneously herewith and is incorporated herein by reference, granted as US patent 7240165 on July 3, 2007.

REMARKS

Attached is a request for continuing examination along with an IDS. In addition this response amends the related application section of the application to correct a typo and to update the status of the co-pending application. The original specification listed the attorney docket number of the related application as 200313571-1. The correct attorney docket number of the related application is 200313751-1 (the 5 and 7 were switched). The co-pending application has granted and the granted patent number and grant date have been added to the related application section.

Respectfully submitted,

Date: 12/16/2010
